RE: State Approval of Amendments to Lincoln MPO FY2017-2020 TIP

Dear Mr. Beutler:

As the Governor's designee, I am approving the amendments to Lincoln's FY 2017-2020 Transportation Improvement Program (TIP) approved by the Lincoln MPO Officials Committee on November 17, 2016 as detailed on the attached amendment. The Nebraska Department of Roads finds the amendments to be part of a financially constrained TIP and in accordance with the MPO's public participation process as outlined in their public participation plan.

Lincoln's TIP is included in Nebraska's STIP by reference. These amended projects get included in Nebraska's STIP when we notify FHWA of a STIP Revision and get their approval. If you have any questions, please call Brad Zumwalt at 402-479-4623.

Sincerely,

RE: ***Revisions to the Lincoln MPO FY 2017-2020 Transportation Improvement Program.***

Dear Mr. Huff :

This is to notify the State of amendments to the Lincoln MPO *FY 2016-2019 Transportation Improvement Program* (TIP) as defined in the attachments. These amendments revise programmed funding on three (3) projects to be included in the sections for: State of Nebraska, Lancaster County and Lower Platte South Natural Resource District programs. All project revisions include federal funds requiring MPO, State and Federal approval. These revisions do not conflict with other programmed projects or funding within theses programs.

Below is the list of projects that have been revised or added to the current FY 2017-2020 TIP.

Nebraska

- **Vanpool Project:** Vendor vanpool services to provide statewide contracted services, which includes service for A) the Lincoln and Omaha (LCLC and MAPA) Metro regions of Lancaster, Sarpy & Douglas counties, and B) Rural Nebraska vanpool service. [Adjust programming years to include FYs 2017, 2018, & 2019]

Lancaster County

- **Railroad Crossing Advanced Pavement Markings:** State Pavement Markings Project to install Permanent Railroad Crossing Pavement Markings at nine (9) RR crossings in Lancaster County. [Add Railroad Safety Project for FY2016-2017]

  C.N. 00869F HRRR-55(180)

Lower Platte South Natural Resource District

- **Rosa Parks Way Trail:** Railroad Undercrossing trail west of 1st Street and J Street, 900 feet long and 10 feet wide concrete surface. [Reprogram ROW acquisition funding year to FY2016-2017]

  C.N. 12945 ENH-55(164)

These projects are consistent with the *Lincoln-Lancaster Metropolitan Transportation Plan*, are fiscally constrained within the program and have been recommended by the Lincoln MPO Officials Committee in accordance with the MPO Management Plan and federal guidelines. I am endorsing this action by including these revisions in the FY 2017-2020 Transportation Improvement Program and am requesting State concurrence.

If you require additional information, please contact Mike Brienzo, Lincoln-Lancaster Planning Department, 441-6369.

Sincerely,

Chris Beutler
