FOR IMMEDIATE RELEASE

Work to Begin on US-83 South of Valentine and North of Thedford

Weather permitting, construction work is scheduled to begin the week of August 17 on US-83, south of Valentine, from Reference Post 146.6 to Reference Post 160.5, and north of Thedford, from Reference Post 197.1 to Reference Post 207.4, according to the Nebraska Department of Roads.

Sta-Bilt Construction Company of Harlan, Iowa, has the \$901,780 contract for microsurfacing the roadway. Traffic will be maintained during construction with the use of flaggers and a pilot vehicle. The work is anticipated to be completed in early September.

The Department of Roads' project manager is Michael Rudnick of Ainsworth. Motorists are urged to use caution while driving through highway work zones and to remember that speeding fines are doubled when workers are present.
