FOR IMMEDIATE RELEASE

## Work to Begin on N-92 in Melbeta

Weather permitting, work is scheduled to begin the week of September 21 on N-92 in Melbeta, according to the Nebraska Department of Roads.

Western Engineering Company, Inc. of Harlan, Iowa, has the \$794,000 project. Work includes removing the median islands, milling of existing asphalt, adjusting roadway widths, placement of new asphalt, and application of thermoplastic pavement markings.

Traffic will be maintained with flaggers and lane closures, as needed, during daytime hours. The project is anticipated to be completed by November.

The Department of Roads' project manager for this highway improvement project is Maryanne Jacobs of Gering. Motorists are reminded to drive safely through the work zones.
