FOR IMMEDIATE RELEASE

## Upcoming Improvements on N-2, 10<sup>th</sup> Street – Old Cheney Announced

A Nebraska Department of Roads (NDOR) improvement project will repair and resurface approximately 4.36 miles of Nebraska Highway 2 (N-2) located within the corporate limits of the City of Lincoln in Lancaster County.

The project will begin just south of the intersection of N-2 with Van Dorn Street, and extend southeast to about 0.11 mile east of the intersection of N-2 with 56<sup>th</sup> Street. The improvements on N-2 will include concrete repair, milling and resurfacing the roadway, surfaced shoulders with asphalt, and bridge deck repairs. Curb ramps will be constructed at locations requiring repair or replacement.

Construction is tentatively scheduled to begin spring of 2016 with completion by the fall of the same year. The work on N-2 will be completed in segments, a portion of which will be constructed under traffic; however, construction will require detouring N-2 traffic from 7:00 p.m. to 6:00 a.m., Monday night through Saturday morning, during which time only a single segment will be closed. A designated detour will be provided for N-2 through traffic, utilizing Interstate 80, U.S. Highway 6, and South 84<sup>th</sup> Street.

Additional information regarding detour routes, closures, and access restrictions may be found on the NDOR website at [www.roads.nebraska.gov/projects/future-projects/](http://www.roads.nebraska.gov/projects/future-projects/) by clicking on the “10<sup>th</sup> Street – Old Cheney, Lincoln” link. For those without internet access, information may be obtained through the contacts below or at NDOR Headquarters, 1500 Highway 2, Lincoln, Nebraska.
