

STATE OF NEBRASKA RIGHT OF WAY CERTIFICATE

date

The right of way for Project Number _____, Control Number _____ has been acquired and physical possession is held by the State of Nebraska and ready for the contractor's use, except tracts listed below.

Unacquired Right-of-Way Tracts as follows:

Tract Number	Status of Tract	Hearing Date

Right-of-Way Tracts with Pay Items:

Tract Number	Pay Items

The contractor will not be able to perform work on any tract listed as "Unacquired Right-of-Way Tracts" until legal and physical possession has been acquired by the State. If necessary, the contractor will be granted an extension of time if a delay is caused because of the above tract(s) not being acquired.

The Right of Entry gives the State the right to excavate, construct permanent structures, store material and machinery, and all other things incidental to the construction of this project.

- Signs and/or bases may be removed by the owners prior to construction.
- Tract _____ is state land owned by the Board of Educational Lands and Funds and application for appraisal of damages has been made to that body.
- Encroachments on the old right of way are being checked.
- Status of encroachments is unknown.
- No encroachments on the old right of way.
- Acquisition of right of way is not required for this project.
- The right of way has been acquired in accordance with the current Federal Highway Administration directives covering the acquisition of real property.
- All right of way clearance has been completed.
- All necessary arrangements have been made for the right of way clearance to be undertaken and completed before physical construction begins.
- All necessary arrangements have been made for the right of way clearance to be undertaken and completed concurrently with the highway construction.
- All necessary rights of way, including control of access rights when pertinent, have been acquired including legal and physical possession.
- All necessary rights of way, including control of access rights when pertinent, have been acquired; except for the above, but legal and physical possession have been obtained for all right of way.
- No individual or families were required to be relocated.
- Steps relative to relocation advisory assistance and payments for business and moving personal property as required by the current Federal Highway Administration directives covering the administration of the Highway Relocation Assistance Program are not required.
- The State certifies that all individuals and families have been relocated to decent, safe, and sanitary housing or the State has made available to relocatee's adequate replacement housing in accordance with Federal Highway Administration directives.

- Steps relative to relocation advisory assistance and payments as required by the current Federal highway Administration directives covering the administration of the Highway Relocation Assistance Program have been taken.
- Relocation of residential occupants has not been completed.
- Steps relative to relocation advisory assistance and payments for business and moving personal property as required by the current Federal highway Administration directives covering the administration of the Highway Relocation Assistance Program have been taken.
- Relocation assistance activities for business and moving personal property have not been completed.
