Dear _____ :

The Nebraska Department of Roads is in the process of acquiring right of way for the above referenced project in your area. There is a possibility that either a part or all of certain real estate owned and/or occupied by you will be required for the construction of our project.

In an effort to assure that you have adequate knowledge of our Relocation Assistance Program, we are forwarding, with this letter, a Relocation Assistance Brochure. Please take a few moments to review the brochure so you may know the benefits you may be entitled to receive and how to obtain them.

Should you desire further information, our phone number and address are shown on the last page of the brochure.

Sincerely,

Doris Theil
