FOR IMMEDIATE RELEASE

Construction Work Scheduled to Begin on Highway N-39

Weather permitting, construction work will begin the week of March 7 on N-39, beginning east of the St. Edward corporate limits and continuing west to the intersection of N-56, according to the Department of Roads.

This work, as part of the St. Edward to Albion project, will consist of concrete pavement patching, concrete joint and crack sealing, and bridge repair. Traffic will be reduced to one lane in some locations and will be controlled by flaggers or temporary traffic signals. Downtown parking may also be temporarily restricted. Drivers are urged to use caution in this work zone. Anticipated completion of this particular work is spring of 2016, while full project completion is fall of 2016.
