FOR IMMEDIATE RELEASE

Information Open House April 5 for US-75 Improvements in Thurston County

The Nebraska Department of Roads will hold an Information Open House April 5 regarding the proposed improvements to US-75, in Thurston County, known as **In Winnebago**. The open house will be held from 4:00-6:00 p.m. at the Winnebago Public School, Gymnasium, 202 Osborne Street, in Winnebago.

The proposed project would reconstruct approximately 0.45 miles of US-75, located in Thurston County, starting north of the US-75/77 roundabout at Mile Marker 169.05 and extending north to Mile Marker 169.50, the north corporate limits of Winnebago. A roundabout is being considered for the intersection of US-75 and Mission Road/Avenue C. If incorporated, the project limits would be extended from Mile Marker 169.50 northerly to approximately Mile Marker 169.79.

Construction is tentatively scheduled to begin as early as summer of 2018 with completion by fall of the same year. This project would be constructed under traffic.

Personnel from the Department of Roads will be available to answer questions, receive comments, and discuss any aspect of the proposed highway improvement project. Information regarding the project will be available after the meeting on the NDOR website at www.roads.nebraska.gov/projects/future-projects/ by clicking on the "In Winnebago" link.
