

April 11, 2016

FOR IMMEDIATE RELEASE

Work to Begin on N-35 West of Wayne

Weather permitting, shoulder construction, bridge repair, and culvert work will begin the week of April 18 on N-35 between the N-35/N-98 junction and the west corporate limits of Wayne, according to the Nebraska Department of Roads.

Four structures will be repaired. Those structures will be reduced to one lane while repair work is performed. Temporary signals will be used to control traffic through the work zones.

County Road 571 will be closed beginning April 18 to allow for its realignment with N-35. The anticipated completion for this project is late spring 2017.

Visit the 511 webpage at www.511.gov or dial 511 or 800-906-9069 to get the most current updates on highway conditions.
