FOR IMMEDIATE RELEASE

Work to Begin on US-26 in Minatare Area

Weather permitting, work is scheduled to begin the week of April 18 on US-26 between Minatare and Moomaw's Corner (the L-62A junction), according to the Nebraska Department of Roads.

Werner Construction, Inc., of Hastings, Nebraska, has the \$3.5 million contract for concrete repair of the existing underlying roadway, milling and asphalt overlay, guardrail replacement and permanent pavement markings. Traffic will be maintained with lane closures, flaggers and a pilot vehicle during daytime hours. The highway improvement project is anticipated to be completed this fall.

The Department of Roads' manager for this project is Maryanne Jacobs of Gering. Motorists are reminded to slow down and use caution in work zones.
