FOR IMMEDIATE RELEASE

Work to Begin on US-6, Friend East

Weather permitting, work is scheduled to begin the week of April 25 on US-6 from Friend to just north of the Dorchester Spur, between Reference Post 273+39 and Reference Post 268+35, according to the Nebraska Department of Roads.

Werner Construction, LLC, of Hastings, Nebraska, has the \$1,356,792 contract for bridge rehabilitation, pavement repair and new asphalt overlay. During construction on this eight-mile project, traffic will be maintained by one-lane work zones with flaggers and pilot cars when necessary. The highway improvement project is anticipated to be completed in early July.

The Department of Roads' manager for this project is Craig Branch of Lincoln. Motorists are urged to use caution when driving through construction zones.
