

# County Road 20 Avenue Closure

As part of the project, County Road 20 Avenue would be permanently closed immediately north and south of the proposed expressway. This roadway would be closed because of the significant costs associated with the roadway's realignment and the bridge needed to maintain floodplain connectivity. Traffic formerly using County Road 20 Avenue would use North Ridge Road to cross the proposed expressway.

## U.S. Highway 30

Rogers to Fremont Expressway
