FOR IMMEDIATE RELEASE

## Work to Begin on US-136 North of Guide Rock

Weather permitting, construction work is scheduled to begin the week of May 23 on US-136, north of Guide Rock, starting at N-78 and proceeding 14 miles east to N-14, according to the Nebraska Department of Roads.

Werner Construction Inc., of Hastings, Nebraska, is the prime contractor on this \$5.1 million contract. Major items of work include culverts, grading, asphalt stabilization and overlay.

The project will be constructed under traffic with a 12-foot width restriction and the use of flaggers and a pilot vehicle. Work on the project is anticipated to be completed in late fall.

The Department of Roads' project manager is Steve Meyer of Hastings. Motorists are reminded to drive safely through work zones.
