FOR IMMEDIATE RELEASE

## Guardrail Work to Begin on N-25A in Palisade Area

Weather permitting, as the work on a statewide guardrail improvement project continues, work is scheduled to begin the week of May 23 on N-25A, between Palisade and the N-25 junction, according to the Nebraska Department of Roads.

Garcia-Chicoine Enterprises, Inc., of Milford, Nebraska, has the \$3.5 million contract for the statewide project. The N-25A portion of the project consists of removing old guardrail, grading the shoulder and installing new guardrail. Traffic will be maintained during construction using flaggers and a pilot vehicle.

The Department of Roads' manager for this project is Duane Collins of McCook.

Motorists are urged to use caution when driving through construction zones.
