FOR IMMEDIATE RELEASE

## Work to Begin on N-91 in the Brewster Area

Weather permitting, work is scheduled to begin the week of May 23 in the Brewster area, from east of the junction of N-91/N-7, between Reference Post 15.1 and Reference Post 30.9, according to the Nebraska Department of Roads.

Werner Construction Inc., of Hastings, Nebraska, has the \$2,081,070 contract for milling and asphaltic concrete overlay. Traffic will be maintained with flaggers and a pilot car. Work is anticipated to be completed in late July.

The Department of Roads' project manager is Michael Rudnick of Ainsworth. Motorists are reminded to drive cautiously through highway construction zones and to remember that fines are doubled when workers are present.
