FOR IMMEDIATE RELEASE

Work to Begin on N-8 East of Endicott

Weather permitting, work is scheduled to begin the week of August 1 on N-8, from Endicott east to the Jefferson/Gage County line, according to the Nebraska Department of Roads.

Constructors, Inc. of Lincoln, Nebraska, has the \$1.458 million contract for concrete repairs, milling and asphalt overlay. Traffic will be maintained during construction with the use of flaggers and pilot cars. The project is anticipated to be completed by late fall.

The Department of Roads' project manager is Dennis Endorf of Fairbury. Motorists should expect to see delays and are reminded to drive cautiously through construction work zones.
