FOR IMMEDIATE RELEASE

Work Progressing on N-2 in Lincoln with Temporary Daytime Lane Closures on Bridges

Weather permitting, Constructors, Inc., of Lincoln, Nebraska, plans to have temporary daytime single lane closures to allow for completion of the construction work on the two bridges located west of 40th Street and east of 48th Street on N-2. These lane closures will be in place starting Thursday, August 11, with anticipated completion on Sunday, August 14, according to the Nebraska Department of Roads.

Traffic will be maintained in one lane both directions at the bridge locations for the duration of the bridge construction work.

The Department of Roads' project manager is Brian Schoen of Lincoln. Motorists are asked to watch for lane closure signage and, as always, drive safely through construction zones.
