FOR IMMEDIATE RELEASE

Work to Begin on US-281 North of Red Cloud

Weather permitting, asphalt overlay work is scheduled to begin the week of August 29 on US-281, beginning 6 miles north of Red Cloud at the Cowles Spur and proceeding north to the west junction of N-4 and US-281, according to the Nebraska Department of Roads.

Werner Construction, Inc., of Hastings, Nebraska, has the \$1,485,299 contract. Traffic will be maintained during construction with flaggers and a pilot vehicle. There will be a 12-foot width restriction during construction. Work on the project is anticipated to be completed in mid-October.

The Department of Roads' project manager is Kevin Kohmetscher of Hastings. Motorists are reminded to drive safely through work zones.
