FOR IMMEDIATE RELEASE

I-80 Gate Closure Replacement to begin September 19

September 12, 2016 (North Platte, Neb.) — Weather permitting, work will begin on replacing the current manual interstate closure gates located at Ogallala, Roscoe, Paxton, and North Platte's East interchange with automated closure gates. The work is anticipated to be completed in November.

The highway improvement project will also consist of installing a new camera tower at the Roscoe interchange to monitor weather and road conditions.

Motorists are reminded to drive cautiously through highway construction zones.
