FOR IMMEDIATE RELEASE

Work to Begin on US-30

October 3, 2016 (Norfolk, Neb.) — Work is scheduled to begin on US-30 between Schuyler and Rogers the week of October 3, weather permitting. Brought to you by the Build Nebraska Act, this project will consist of the construction of a 4-lane divided expressway.

According to the Nebraska Department of Roads, the project will begin two miles east of the US-30/NE-15 junction, and proceed to approximately one mile east of the Colfax/Dodge County line. Construction of the new westbound lanes will begin along the north side of the existing US-30 and continue through most of 2017.

Local access will be maintained for residences, farms, businesses, county roads, and streets located within this project throughout the duration of the project.

Drivers are urged to use caution in this work zone. Anticipated completion for this project is May, 2019.
