Re: Annual Consultant Certification (excluding NEPA Services)

To Whom It May Concern:

In accordance with Rev. Neb. Stat. §81-1712 (3), any consulting firm desiring to provide professional services on State or Federal-aid projects in the State of Nebraska must first be certified by the Nebraska Department of Roads (NDOR). The 2018 fiscal year annual certification period for the NDOR is July 1, 2017, through June 30, 2018. This document outlines the general certification process. Consulting firms who submit certifications through May 31st, and are accepted, will be included in the Certified Consultants List on NDOR's website.

NOTE: This annual certification process **does not** include certification for NEPA Services (Standard Work Category 101A). Please review separate instructions for firms wishing to be qualified for NEPA Services.
