SECTION 4(f)

Department of Transportation Act of 1966

- **Section 4(f) protects publicly owned land of a public park, recreation area (including trails), or a wildlife and waterfowl refuge, or land of an historic site from use for transportation projects unless FHWA approves.**
- **Homestead Corridor Trail is a Section 4(f)-protected property and would be temporarily occupied at the N-41 crossing to reconstruct Bridge S041 07520 and its approaches.**
- **The trail would remain open on a short detour and would be restored to a pre-existing condition.**
- **Temporarily occupying a small part of Section 4(f) protected land for a short period is exempt from Section 4(f) regulations if changes are minor, the use of the land is not interrupted, the land is restored to pre-existing condition, and the official with jurisdiction or the owner of the recreation land agrees.**
