FOR IMMEDIATE RELEASE

Road Work on US-30 to Begin Between North Platte and Maxwell

April 17, 2017(North Platte, Neb.) — Weather permitting, on April 24, the Nebraska Department of Roads will begin a highway improvement project on US-30 between North Platte and Maxwell at R.P 182+14 to R.P. 190+94.

Work on US-30 will include pavement repair, grading, bridge work and an asphalt overlay. A maximum 11' width restriction will be in effect on the project. Temporary traffic signals will control one lane traffic on the Maxwell Railroad Viaduct. Work is anticipated to be completed this fall.

Motorist should expect reduced speeds and delays within the work zone and are reminded to drive cautiously through highway construction zones.
