FOR IMMEDIATE RELEASE

N-85 (84th Street) - Ralston Viaduct Lane Closures

May 15, 2017 (Ralston, Neb.) — Weather permitting, there will be lane closures between “Q” Street and Harrison Street on 84th Street beginning May 22 to construct median cross-over pavement, according to the Nebraska Department of Roads.

These median cross-overs are necessary to route head-to-head traffic in the southbound lanes to facilitate the reconstruction of the northbound viaduct over the railroad tracks. Traffic will remain head-to-head until December 2017. During the winter months, all northbound and southbound lanes will be open to traffic.

Hawkins Construction Company is the contractor on this project.
