

**Verifying
Local Sales Tax Amount Received from the Sale of Motor Vehicles
by County or Municipality
on the
Nebraska Department of Revenue Website
<https://revenue.nebraska.gov>**

To access a detailed breakdown of the Local Sales Tax (current and historical):

- **Nebraska Department of Revenue** <https://revenue.nebraska.gov>

(Scroll ½ way down to middle of Home page) ↓

(continued to next page)

Local Government Data

 **Certified Municipal Population** - 2000-2023 (updated 12/29/2023)

This table shows certified populations for municipalities. These tables are presented on yearly tabs.

 **Estimated Municipal Aid by Fiscal Year** - 1999-2024 (updated 03/8/2023)

This table shows a summary by municipality of state aid to municipalities. This includes Municipal Equalization Fund estimates for the latest fiscal year, and actual aid amounts distributed for historical years. Aid amounts for historical years include Highway Allocation, Aid to Municipalities and Municipal Infrastructure Redevelopment Fund. These tables are presented on yearly tabs by fiscal year.

County Official Data (02/14/2024)

-  **City Sales Tax Current Month.xls** (current month)
-  **City Sales Tax History.xls** (historical)

-  **Lodging Tax Current Month.xls** (current month)
-  **Lodging Tax History.xls** (historical)
-  **Lodging Tax Settlement Amounts and Dates.xls**

-
- This is a large, Microsoft Excel spreadsheet (of 528 municipalities) and takes brief moment to upload.
 - Look for the column that says “Sales Tax on Motor Vehicles”
 - Search by **municipality name** and **year/month**.
 - **Anything with an asterisk ***, be sure to scroll down to end of page to **read footnotes**.
 - Finally, the website format is always changing, but it’s basically the same as far as headers (see circles above) that can lead you.
