

FISCAL YEAR 2020

**HIGHWAY USER
REVENUE DISTRIBUTION**

**PREPARED BY
NEBRASKA DEPARTMENT OF TRANSPORTATION
CONTROLLER DIVISION**

INTRODUCTION

As an aid in determining fiscal activities, the Department of Transportation has prepared this publication showing the amount of Highway User Revenue received during fiscal year 2020.

The Highway Allocation Fund consists of revenues generated from the collection of Motor Fuel Taxes, Motor Vehicle Registration Fees, Motor Vehicle Sales Tax, Investment Earnings and the Build Nebraska Act. During FY-2020, the COVID-19 pandemic had an impact on revenues from motor fuel taxes, registrations and motor vehicle sales tax, primarily due to COVID-19's impact on revenue generating economic activity such as motor fuel consumption as well as the closure of county offices during several months causing delay in payment of motor vehicle sales tax and registration fees.

The amount distributed is sent to the county, city or village treasurer on a monthly basis, whereas Incentive Payments are remitted annually to those local governments employing a qualified road or street Superintendent.

Funds relinquished to counties by municipalities result from a municipality and its appropriate county entering into a valid agreement whereby the municipality relinquishes all or part of its monthly allocation to the county. In return, the county must earmark these funds for use on projects within the trade area of such municipality. In doing so, the county assumes responsibility for matching this revenue in meeting their Local Matching Requirement. In those instances where a municipality retains the Local Matching Requirement the municipality may request that a specified portion of its Highway Allocation be remitted directly to the county for use in a joint city-county project.

All counties, cities and villages desiring to receive their full apportionment each year must, during the previous year, have met their local matching requirement. Each county must raise locally 25% of all Highway allocation revenue received (excluding Motor Vehicle Fee Fund and Incentive payments). Each city or village with a population of 100,000 or above must raise 50% of all Highway Allocation revenue received (excluding incentive payments). Each city or village with a population below 100,000 must raise locally 25% of all Highway Allocation revenue received (excluding incentive payments). If a municipality fails to meet its matching requirements, an amount equal to the unmatched portion will be forfeited from its current allocation. These forfeited funds are then re-distributed to all the other municipalities, which met their full Local Matching Requirements.

The counties' share of the Highway Allocation Fund, including the City and County Road Fund, is currently 50% and was distributed based on the following factors: Rural Population (20%), Total Population (10%), Lineal Feet of Bridges (10%), Rural Motor Vehicle Registrations (20%), Total Motor Vehicle Registrations (10%), Miles of Local Roads (20%), and Value of Farm Products Sold (10%).

The municipalities' share of the Highway Allocation Fund, including the City and County Road Fund, is currently 50% and was distributed based on the following factors: Total Population (50%), Total Motor Vehicle Registrations (30%), and Miles of Traffic Lanes of Streets (20%).

Note that there is a month lag from the time revenue is collected at the state level and when it is actually distributed to the counties and municipalities. Also, note that all amounts shown as being distributed to the municipalities are actually amounts allocated and not necessarily paid.

Motor Fuel and Special Fuel Tax: Beginning July 1, 2009, the fixed tax is distributed 2.8¢ to the cities and counties, 50% each. Effective January 1, 2016, the cities and counties share increases 1¢ each year thru 2019, 50% each.

The Motor Vehicle Fee Fund shall be distributed as follows: (a) 50% to the county treasurer of each county, amounts in the same proportion as the most recent allocation received by each county from the highway allocation fund; and (b) 50% to the treasurer of each municipality, amounts in the same proportion as the most recent allocation received by each municipality from the highway allocation fund. Funds from the Motor Vehicle Fee Fund shall be considered local revenue available for matching state sources. All receipts by counties and municipalities from the Motor Vehicle Fee Fund shall be used for road, bridge, and street purposes.

The Build Nebraska Act, effective July 1, 2013, designates one quarter of one percent of general fund sales tax revenue for Nebraska roadways. Eighty-five percent is for the state highway system and fifteen percent is for local transportation and streets. The local share is distributed through the Highway Allocation Fund based on the established factors.

If you have any questions, please contact the Nebraska Department of Transportation, Controller Division, 402-479-3939.
