The Nebraska Department of Transportation (NDOT) will hold a public information open house meeting regarding the proposed improvements to 5.18 miles of Nebraska Highway 50 (N-50) in Sarpy and Douglas counties.

Proposed improvements would include concrete replacement and repairs, removal, grading, milling, and resurfacing of roadway, widening of N-50, and traffic signal modifications. Additional improvements would include bridge and ramp repairs and guardrail replacement and repairs as well as culvert and sidewalk removal and construction.

This meeting is being held to provide information regarding the project, currently in the design phase, and to receive the public's input. Design information will be displayed and personnel from NDOT will be present to answer questions and receive comments.

The option to view materials and a pre-recorded version of the presentation will be available on the NDOT website at ndot.info/22602.

The public is being encouraged to make suggestions or express concerns regarding this proposed project. Comments will be collected through April 1, 2022.
